Phone Holder Status & Policy

Phone Holder Purchased: (YES / NO) | Installation Requested: (YES / NO) | Holder is Present on Motorcycle: (YES / NO)

The Company assumes no liability for the use of the phone holder or any resulting damage to the Renter's personal phone, device, or the motorcycle. The holder is the Renter's personal property (final sale, non-refundable) and cannot be exchanged for other items or services. The Renter must remove the holder before returning the vehicle if they wish to keep it. Any used holders left on returned motorcycles will be donated to charity and cannot be claimed.

Closed on the following day:

On the mentioned days no service is available. Agreed and understand by: Signature

RENTAL AGREEMENT TERMS AND CONDITIONS

1. The **rental fee is non-refundable** once paid and cannot be transferred toward repairs, other services, or refunded even if the vehicle is returned early.
2. **I have voluntarily and of my own responsibility decided whether to leave cash deposit or my passport**, without any external pressure. An administrative fee of 100 THB shall be applied each time the deposit is changed from cash to passport or vice versa. This fee must be paid in person to the Thai staff.
Agreed by:
3. **Service is by appointment only – Opening hours: 9:00 AM – 12:00 PM and 2:00 PM – 5:00 PM** (Closed on Holidays and Days Off). Service is available only by appointment, booked at least 24 hours in advance. Appointments must have an exact time. We wait up to 10 minutes only. We take no responsibility if the customer fails to arrive on time, fails to book, or misses a ferry, flight, or any connection due to delay or lack of appointment.
Agreed by:
4. **The company does not provide any service during holidays, staff days off, outside working hours or without a confirmed appointment. Messages sent outside working hours will be answered after reopening.**
5. **The Hirer must renew the contract in advance if they wish to continue using the motorbike. If payment is late**, a penalty of twice the daily rental rate will be applied for each overdue day. The extra rental time is counted from the original return date and time. The vehicle may be withheld until payment is completed.
6. **Only the two adults listed on the contract are allowed to use the motorbike.** Lending it to others, subletting, or changing the name on the contract is forbidden and results in a 5,000 THB fine.
7. Bike use is **limited to legal road riding on Koh Phangan** – No off-road, beach, deep water, unauthorized fuel, or leaving the island. Misuse includes illegal, racing, or commercial use; riding on the beach; **water damage from sea or flooding; using any fuel other than Gasoline 95**; or taking the bike off the island without written permission, which may be treated as theft and reported to police. These result in a 5,000 THB fine plus full repair, legal, and recovery costs. The rider is fully liable.
8. The rider is **fully responsible for any damage to the motorbike, helmet, or accessories**, regardless of who caused it. If the helmet visor is scratched, damaged or the locker is broken, the rider must pay for full helmet replacement. The condition is assessed solely by the owner.
9. **The rider must report any accident, damage, or technical issue immediately, or within 24 hours** at the latest. Failure to report in time results in a 1,000 THB administration fee. Any repair must be approved in advance by the owner.
10. **All repairs must be done at Autain Service in Chaloklum. Manufacturer warranty may require another shop, but this must be confirmed with us before repair.** Unauthorized repair = 3,000 THB fine + inspection. If returned damaged, daily rate + 500 THB applies until rentable.
11. **Flat tires** must be repaired by the rider. If the rider denies misuse, we replace the battery immediately. It will be inspected at Autain Service. If not faulty, the rider must pay full price. No refund for self-replacement without approval.
12. **If the key is lost, damaged (e.g. broken, water-damaged), or locked under the seat**, the rider is fully responsible. If a spare key is available, a delivery charge will apply depending on the location. If not, a locksmith will be called and the rider must pay all costs. Prices range from 300 to 10,000 THB or more depending on the key type, chip or remote system, and whether seat or ignition replacement is required. If the vehicle must be transported to a locksmith, the rider must also cover transport costs. **Not all bikes have a spare key available.**
13. Does **the vehicle have warranty: YES / NO** The rider must inform the owner when the scheduled service (based on km) is approaching, even if the bike is not under warranty. If the rider fails to report it and the bike is damaged or loses warranty coverage, they are fully responsible. If under warranty, a fixed fine of 10,000 THB applies.
Next service at: KM
14. **The company does not provide any form of transportation before, during, or after the rental.** The rider is fully responsible for their own travel to and from the rental location.
15. **The vehicle has no insurance.** The rider accepts full legal and financial responsibility for any damage, theft, loss, or claims made by third parties during the rental period.
16. **In case of rental extension**, 1–6 extra days will be charged at the normal daily rate, and 7 or more extra days will use the 7–29 day rate.
